#### **Chapter President – Lorie Bennett**

Even though it may not appear to be spring, we are fast approaching Daylight Saving Time, flowers beginning to bloom and the grass turning green. Winter has been unsettling in our area; and, it has also been an unsettling time for NARFE and many of its members with a new administration in the White House. Among other things, there is concern regarding what may happen to our pay and benefits in the future. **6176**

Daylight Saving Time,  
March 12

Another change for NARFE is to its bylaws, based on member-approved revisions at the 2016 national convention. Recently, NARFE finalized the update and distributed both hard and electronic copies, along with guidance to federations and chapters to help in ensuring their respective bylaws are compliant. Our Washington State Federation of Chapters Executive Board is currently reviewing the federation's bylaws for compliance. Our chapter board is doing the same. This is a slow, step-by-step process, so stay tuned!

Each monthly narfe magazine has so much information that affects us all. So, please, take the time to read it. It is one of the benefits of being a NARFE member!

Nancy Crosby, Pat Turner and Mary Binder are scheduled to attend the March NARFE's Legislative Training Conference. A thank you to them for taking time out of their lives to participate, and we look forward to their recap at our April chapter meeting.

## 2nd VP/Webmaster – Larry Williams

President Lorie wrote about the changes to NARFE's bylaws, and that our Washington State Federation of Chapters (WSFC) and our chapter would also be reviewing their respective bylaws. Want to read our chapter's bylaws? They are posted under "Chapter News" on our chapter website, [www.narfe1192.org](http://www.narfe1192.org).

And another reminder! If you couldn't make a chapter meeting and want to read the meeting minutes, or want to see the latest treasurer's report, or want to check something in a chapter newsletter, all are available on the chapter website.

## Director at Large – Bob Stewart

**Editor's Note:** Welcome Bob Stewart, a new director at large and chapter NARFE-PAC chairman! Bob offered to serve in these positions upon the resignation of Steve Howes. Bob is a retired DOE project manager. He and his wife, Dot, are long-time Tri-Cities residents.

# Thank You!

*A heartfelt thank you to Steve Howes for his service to NARFE and the chapter as a director at large and the NARFE-PAC chairman. His thought-provoking articles, ideas and suggestions for the chapter, and belief-in, dedication and support to NARFE-PAC have made a difference. Thank you, Steve.*

## WSFC President – Nancy Crosby

March and April will be busy months for our members as NARFE and our WSFC monitor protecting our earned benefits. The NARFE Legislative Department staff is devoting a lot of energy to keeping members informed on the latest bills and initiatives our congressional representatives will be addressing. They have an updated Legislative Department, Legislative Action Center page on the NARFE website with a lot of information and form letters to personalize and send to our representatives. It is imperative that you contact our representatives with your concerns.

At press time, 14 WSFC members and our Region IX vice president are registered to attend 2017 Legislative Training Conference, March 12-15, Alexandria, Va. Included in the conference are visits with our

district representatives and 2 senators on Capitol Hill. Our WSFC representatives will present NARFE's issues to our elected officials. Most Washington State congressional districts will have at least one NARFE representative attending the training.

Planning is moving ahead for the Region IX Training Conference, June 9-10, Three Rivers Convention Center, Kennewick. Registration forms are being prepared and will be available to all WSFC members, and national-only members in Region IX. There will be 2, half-day sessions and a dinner. Information will soon be available on the WSFC website, [www.narfewa.net](http://www.narfewa.net). Registration is currently projected to be between \$60 and \$70. To help offset member costs, WSFC and our Tri-Cities chapter will offer "scholarships" to members who attend.

Let's hope our winter's unseasonable weather improves as we look forward to no snow and warmer temperatures. Spring is coming!

## WSFC District V VP – Mary Binder

Success! The 2017 Tri-Cities Chapter 1192 outreach action plan has been approved by both the WSFC PR and membership chairmen. This plan is a roadmap for the chapter's public relations and membership activities for the year. Further, the federation reimburses the chapter up to 50 percent for some outreach costs, if they are on the approved plan and reimbursement paperwork is submitted. This is a win-win for chapters! **5765**

District V has 3 chapters – Tri-Cities Chapter 1192; Walla Walla Chapter 237; and, Yakima Chapter 238. As the new district vice president, I have visited all 3. It has been interesting to note the similarities and differences.

## 2017 NARFE–FEEA STEVE BAUER SCHOLARSHIP AWARDS PROGRAM

**Applications accepted: February 1 - April 28**

**All applicants must be high school seniors of NARFE members in good standing and planning to attend an accredited college or university full time in a 2-year or 4-year degree program in fall/winter of the award year.**

**New – online-only application and submission process.**

**Eligibility requirements and application details at:**

## Legislative – Mary Binder

At this time, being vigilant is a top priority for NARFE, and should also be for NARFE members. While it is still early in the new Trump administration and Congress, much is being proposed, and/or written or talked about. Media reporting is running the full gamut; so, at times, making it even more challenging to understand “ground truth,” including for current and retired federal employees.

NARFE President Richard Thissen recently penned a letter to the editor for *The Wall Street Journal* responding to an attack on career civil servants by a U.S. representative. A point in his letter, I believe, is most important as we talk to family, friends, the media, or others about civil servants. President Thissen wrote, ***“Whatever one’s views are on the scope and reach of federal government regulations, any agency power to issue regulations derives from a congressional act, and the power over regulatory policy rests with the elected president and his cabinet and political appointees. Blaming career civil servants deflects responsibility from those – including members of Congress – with the actual power to change federal laws and regulations. Placing this blame [on civil servants] is casting professional civil service as a threat to our democracy, when it is, in fact, one of its strongest bulwarks.”*** 4957

On the home front, our chapter has been invited to represent NARFE at the Veteran Service Fair, April 1, Southridge Sports Complex Indoor Pavilion, Kennewick. Dan Newhouse, our 4th Congressional District representative, is hosting the fair. This will be an opportunity to hopefully be of assistance to our veterans while also providing visibility for NARFE and our chapter.

## NARFE-PAC – Bob Stewart

This is my first article as the new chapter NARFE-PAC chairman, which, I hope, will be the first of many. I appreciated the cooperation and generous giving at our February 1 chapter meeting. Thanks to Mary Binder’s donation of her 50-50 winnings, along with other donations, we collected \$44.

The 8th and final quarter NARFE-PAC results are now posted on the NARFE website, [www.narfe.org](http://www.narfe.org). The reports provide not only the final quarter results but a recap of all 8 quarters for the 114th Congress 2015-2016. One report shows the by-chapter contributions for all states, including Washington. Our Tri-Cities

chapter contributed \$3,955 for the period January 1, 2015 through December 31, 2016, ranking the chapter 5th among the state’s 21 NARFE chapters. Chapters giving more were Bremerton, Vancouver, Spokane and Seattle. The total for the state for this period was \$52,159.

**Reminder! March is NARFE-PAC month! See the March narfe magazine for more information.**

## Alzheimer’s Research – Bill Darke

Our chapter is on its way to another great fundraising year. Since the beginning of our federation’s Alzheimer’s year, May 1, 2016, our chapter has raised \$2,333.38. Thanks to generous donors, for the fourth consecutive year we are exceeding the \$2,000 level!

With tax-filing season upon us, a reminder – donations to Alzheimer’s are tax deductible for those itemizing their deductions. It is also worth noting that, due to our special arrangement with the Alzheimer’s Association, all our donations to NARFE Alzheimer’s Research go to research and not to any overhead expenses. Further, NARFE selects the research projects it wants to support.

Since NARFE began its fundraising in 1985, it has raised more than \$12 million for NARFE Alzheimer’s Research. NARFE’s new goal is \$13 million by the end of 2018.

NARFE is now a sponsor of the Alzheimer’s Association’s Walk to End Alzheimer’s.

Locally, there is walk scheduled for Saturday, September 9.

This is yet another way for NARFE to “earn national recognition benefits.” Details about the walks to follow in future newsletters and at chapter meetings.

Thank you for your continued support to finding a cure for this terrible disease.
