Our special thanks to all the Service Center volunteers and all the callers who helped with calls for the monthly meeting notifications. We could not have done our coordinator jobs without all of you!"*

## Chapter President – Gary Hagedorn

It was great to see such good attendance at Chapter 1192's October monthly meeting! We thank Mr. Loren Eddy, a local attorney who specializes in estate planning, for such an interesting and timely presentation. Personally, I learned a few things I need to review.

Now, we are in the election season. I would like to remind everyone to vote. The issues of the day – economy, federal and state spending, national defense, etc. – are vital to all of us and need our thoughtful consideration.

Staying with elections, the following members have been nominated for 2011 Chapter 1192 officer positions:

- Don Binder, president
- Carl Gallion, 1<sup>st</sup> vice president
- Mary Binder, secretary
- Nancy Crosby, treasurer

Elections – at the November Chapter meeting; installation of officers, at the December meeting.

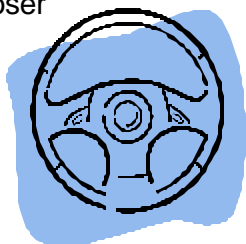

But, **we still need volunteers to serve as:**

- 2<sup>nd</sup> vice president;
- Service Center coordinator; and,
- Call-tree coordinator

Please consider volunteering to serve in one of these positions. Serving as 2<sup>nd</sup> vice president allows for gradually learning more about NARFE at the chapter, state and federal levels. The coordinator positions are, in fact, as the titles say, “coordinators.” Both positions have teams of great volunteers to support them. So, if you are interested in serving in one of these positions, please contact me at either 509-547-3015 or 509-546-2117. As I wrote in the last newsletter, this would be an excellent time to step forward if you are interested in NARFE leadership or to just serve.

Switching topics, as we get closer to winter, remember the preparations you need to make for your safety.

Examples: winterize your car, including having proper traction tires; prepare for potentially slippery surfaces; and, consider 7021 water-freezing issues around your home and equipment.

**Looking ahead** – see our Alzheimer's chairman Bill Darke's reminder about our **annual white elephant auction** at the Chapter's November meeting. As he wrote, proceeds go to NARFE's Alzheimer's Research Fund. Then in December, I'm pleased to announce that **the Tri-City Tappers** will provide a holiday program for us at our Chapter meeting. This is “...an over-50 tap-dancing group established in 1994 and that has become a favorite all over town!”

So, great programs and great opportunities to bring a “fed” to one or both of our fall meetings! Whether current or retired, I urge everyone to bring a “fed friend” to a meeting. Help us reach one of our Chapter's 2011 goals – increase membership! Yes, strength is in numbers.

Finally, the Chapter Board will have a combined monthly board/2011 planning meeting at a working lunch, Tri-City Country Club, Kennewick, Wednesday, November 10, starting at 10:30 a.m. Feel free to join us and enter into this process. Just call Mary Binder, Chapter secretary, at 509-585-1393, for seating and lunch purposes.

Have a good month, and I hope to see you and a “fed friend” at our upcoming meetings.

### **Open Season Federal Employees Health Benefits November 8 through December 13**

*“The FEHB Program has important features, including a wide choice of health plans and competitive benefit packages as well as no pre-existing condition limitations or waiting periods. Now, for 2011, we have eliminated enrollee cost sharing for preventive care services, added incentives for tobacco cessation, and, in accordance with the Affordable Care Act, added coverage for dependents up to age 26. Even with these new benefits, premiums will rise less this year than they did last year.”*

John Berry  
Director, U.S. Office of Personnel Management

**Note: 2011 FEHBP premium rates – health care, dental, vision – and the October 1 NARFE release about the rate increases are at:**  
[www.opm.gov](http://www.opm.gov).

### **2<sup>nd</sup> VP Update – Carl Gallion**

After months of waiting, Carl Gallion had his hip “re-surgery” October 7 and is now diligently working through his rehab process. All the best and see you soon, Carl!

## Alzheimer's Research Fund – William Darke

November is Alzheimer's Month and we will have our **annual white elephant auction** at our Chapter meeting. This is the perfect opportunity to do some holiday shopping, get some unique gifts at reasonable prices and also maybe donate some items you no longer need or want! All auction proceeds will be donated to NARFE's Alzheimer's Research Fund. Over the years, NARFE members have donated more than \$9M for this research, and NARFE is now working toward a revised goal of \$10M! For anyone not able to make the meeting, your NARFE magazine has an Alzheimer's donation form you can use. Please contribute what you can; it's all for a good cause!

## Legislative – Don and Mary Binder

Is your head spinning this election season? Yes, there has been a plethora of information! Yes, 3100 it can be perplexing; and yes, at least for most of us, it requires listening, reading and studying before voting. So, if you haven't already voted, we encourage you to study the issues and candidates, and then ensure you vote on or before **Election Day 2010, Tuesday, November 2**. Does your vote count? To answer that, just reflect on our state's gubernatorial race a few years ago!

Next, a "legislative" word from ...

## District V Vice President – Steve Anderson

NARFE has announced its "legislative program" for the upcoming 112<sup>th</sup> Congress, January 1, 2011 – December 31, 2013. The platform includes:

- Increased emphasis – federal employee pay parity;
- Allowing members of Congress and their staff to remain in the FEHB Program;
- Monitoring/reporting on the "debt commission;"
- Supporting a USPS refund from the Civil Service Retirement and Disability fund provided there is no resulting reduction in federal annuities;
- Asking Federations to submit proposed amendments to NARFE's "legislative program" between conventions; and,
- Actively pursuing OPM support to apply for a subsidy that would lower FEHB premiums.
